

# Copa De Crimbo

19 December 2009

Nottingham

Indoors

I'll just give you the highlights.

We started Iron-man as Louise and Joe didn't turn up till the last few points of the first game

Jamie did the splits while catching a disc, some awesome layouts and then threw up in a glass

Jack had a three pint challenge initiation

Louise transformed into Jason on Saturday night

Ed sky'd everybody in the endzone all weekend, as well as being not that bad the rest of the time to win MVP

Everyone lost to Callum and Adam at Beerpong

Me, Jamie and Callum were the only fancy dress people at the party

We found an awesome frozen lake that we spent an hour throwing stones over

The team Won 4, Drew 1, Lost 4 - to finish a respectable 11th

Merry Xmas,

**Ben Lewis**
